

Blue October "Should Be Loved"

Visit "[Should Be Loved](#)" on MotoLyrics.com

Stop staring, you're the reason I feel so unhappy all
the time

Look, I've given you everything I know how.
Your standing on the top of my shoe
Your keeping me from gaining ground.
Look, I'm sorry if you feel like I let you down.

Can you tell me what have I done so wrong
To you
Tell me what am I supposed to do

I should be loved by you,
That I know is true
But I can't breathe when you're around
I should be held at night
That I know is right
But I can't breathe when you're around

You're too scared,
Scared of all of it
I get that feeling I'm talking to the wall
Can you hear me at all?
My world was shaking, my mind was quaking, my heart
kept breaking
I threw it against the wall

Can anyone feel me at all?!

Can you tell me what have I done so wrong... to you
Tell me what am I supposed to do
I've got a feeling, you're falling out of love with me
Tell me who am I supposed to be

I should be loved by you
That I know is true
I can't breathe when you're around
I should be held at night
That I know is right
I can't breathe when you're around
I can't breathe when you're around
Look I can't breath

I should be loved by you
That I know is true
I can't breathe when you're around
I should be held, oh I should be held
I can't breathe when you're around
No I can't breathe when you're around.
No I can't breathe
