INTRO:

I'm asking you one question.  
You want me to sign away the rights as a father to my  
daughter  
So that you'll leave me alone and let Liv be happy?  
Everything is...

She's so happy.  
I wish you knew that.

She is happy, I know but...

She's such a happy girl.

I'm I'm I'm I'm asking to just...  
How do I...?

I think that your right.  
I don't think your ready for a family Justin.

I'm not ready for a...?

And when you are, I hope that you have one with...  
With somebody that...  
That you treat much better than you did us.  
But I think at this point you should probably  
acknowledge the fact that...

That...?

You have failed miserably!;

VERSE 1:

No joke took a breath and then awoke.  
I was standing in an airport looking like a joke.  
Saying Sir can you help me, mam could you please?  
So they lead me to the pay phone flagging down the  
police.  
Mr. officer I know who I am but the rest of me my  
memory I just don't understand.  
I do know that I'm an unsafe man with a plan  
Of getting on a plane, fly away to kill a man.

Like a freight train; threat to myself.  
I got a history of blackouts, bad mental health.  
Soâ€¦ Both cops each arm, alarm, no harm, disarm, pat  
down, do the body check.  
Next thing I was a walking on the airfield.  
Backseat I was a heading to a hospital.  
I'm sorry for the drama that I bring through the screen.  
He said "Son you did the right thing."

CHORUS:

Please help me understand why you can't talk man to  
man.  
But you can stand with your dick in your hand.  
You're acting like a pussy man.  
Hey! Hey!  
X2  
Huhh

VERSE 2:

I was faithful to my wife and now we're separated.  
Use to drive her in the back I underestimated.  
Like a strong sinks down into the complicated.  
Fact that she gave that ass up I never fucking dated.  
See your better than that.  
No it's not.  
Well he's a rough real tough man going round the  
back.  
Just a pussy with a dick stand up and be a fucking man.  
Hiding from the husband scared I'll make a beating.  
Now up in Lincoln  
I'm in the deep end.  
Think I'll I come and break you smash your fucking face  
in.  
Cut you up vanilla juice and watch you try to fuck them.

(CHORUS) X2

BRIDGE:

uh oh uh oh oh oh uhoh uh oh oh  
uh oh uh oh oh uh uh ohuh uh oh oh ohoh  
uh oh uh oh oh oh oh uhoh uh oh oh  
uh oh uh oh oh uh uh ohuh  
uhhhhh

VERSE 3:

Is that beat up?  
Is that beat up yet?  
Please help me understand.  
Why you can't talk man-to-man.  
Is that beat up?

Is that beat up yet?  
Ha! Ha!  
Stand up.  
Stand on top of.  
(Whispered Grunts)  
(Unrecognizable)

(CHORUS) X2

(BRIDGE) X4
