What if we could
Put our lives on
Hold then meet somewhere
inside of the world
I would meet you
Would you meet me?

2, 3, 4...

On a park bench
On a skyscape
On a mountain
Oh yeah, whatever it takes
I would meet you
Would you meet me?

I'm glad to say that we've met
But I'm sad to say that the circumstances weren't
On our side

So go on
Go on be your own
Go on be your own star

What if we could?
Where would we go?
If it felt right
Would you want me to know
I would meet you
Would you meet me

It's like a last chance
For a first dance
You're a sunrise
Can't somehow exist
I would meet you
Would you meet me
I'm glad to say that we've met
But I'm sad to say that the circumstances weren't
On our side

So go on

Go on be your own
Go on be your own star

A simple star in my eyes
In my eyes

Look in my eyes
Just look in my eyes
My eyes
My eyes!!!

What if we could
Put our lives on
Hold then meet somewhere
inside of the world
I would meet you
Would you meet me?

On a park bench
On a skyscraper
On a mountain
Oh yeah, whatever it takes
I would meet you
Would you meet me?

God I would
God I would
I would meet you
Would you meet me

I would meet you
I would meet you
I would meet you
