Whoa

Oh, boom, when you feel like you're going too slow

I bet you're gonna like it in

AD, AD

People gonna talk about

AD, AD

Bloody hell and sacrifice

You, your head's on a big display

Well you're really gonna like it here

AD, AD

People gonna talk about

AD, AD

Living hell is not so bad

You bet your life there's gonna be a fight

You bet your life because the hills have eyes, yeah

You bet your life there's gonna be a fight

You bet your life because the hill have eyes

And then you're gonna die

And then death is mine and then you

Oh, boom, on earth as it is in hell

We'll see you get to like it in

AD, AD

People gonna talk about

AD, AD

Bloody hell and sacrifice

You, your head's on a big display

Oh, you're really gonna like it here

AD, AD

The people gonna talk about

AD, AD

Living hell is not so bad

You bet your life there's gonna be a fight

You bet your life because the hills have eyes, yeah

You bet your life there's gonna be a fight

You bet your life because the hill have eyes
And then you're gonna die
And then death is mine and then

You bet your life there's gonna be a fight
You bet your life because the hills have eyes, yeah
You bet your life there's gonna be a fight
You bet your life because the hill have eyes
And then you're gonna die
And then death is mine and then you
