Sitting down it's the end of my day...  
Thought that I would call you up and say...  
It's been soo, lonely without you here..  
That I could cry.....  
But, I'm saving all my tears..  
And if I could ...you'll know i'd hop a flight  
Girl, i would kiss and hold you through the night..  
We would have a quiet evening at home.,  
Just you and I  
All alone.....  
I promised, i would not punish myself like this...  
But, here I go, here i go , here i go Again.  
My two-weeks always end up two-months...  
I see relief in sight.  
don't worry....  
it won't be long..  
before i come.  
We Will always be together.  
To right the stormy weather...  
verse II  
I'm daydreaming  
I'm thinking  
of you....  
Trying to figure out  
what to do...  
I can't come back there  
empty handed...  
i've got my dreams to fulfill...  
As a kid we all need  
a hero..  
You were the key  
to unlock the doors..  
To the road to my success...Not Fantasies..  
You are more than a lover..  
you are a Friend indeed.  
So girl, don't you worry  
cause i will be there on the 8th..  
Kissing, Hugging you Lady.,  
You know i can't wait....  
I'm Not saying this  
Just to brighten up your day.

I can't wait to see your face..  
Because, I adore you (yeah)  
Can't you see it's True  
Girl, I'll be dreaming  
Girl, i'm thinking of You.....  
yeah,ah yeah  
here i go  
here i go  
again  
here i go, here i go, here i go again..  
here i go, here I go,here i go again  
here i go...  
again.....
