It's all coming down
To the reasons that I question.
The answer in your mind
Aren't even answers.
Please don't cover this up.
I can feel it in my spine.
Is this the end...
Of love

Long way home,
And I refuse to do this on my own.
Give me a sign.
It's set in stone.
We've come undone.
The exit's gone.

I'm not the one
To set this all on you.
Give me a sign.
It's set in stone.
Now there's nothing I can do.
It's suicide!
It's suicide!

It's suicide!

I don't even want to listen to you.
These words will eat you up alive.
There's a feeling I can shake this from you
So one of us will make it out alive.

Long way home,
And I refuse to this on my own.
Give me a sign.
It's set in stone.
We've come undone.
The exit's gone.

Bad things keep happening to you.
Living on the outside,
The exit closes up.
It's over.

Don't say it's better than it was before.
Lies!
As they come for you,
Bleed on the outside.
It's overdue.
Trying to hold on to...
The exit sign... was there... it's up to you
