J. Bouchard - H. Robbins - )  
From the dust arose on high  
A thundercloud in a two-lane sky  
From the world I did rebel  
A Fallen Angel  
Highway lust was in my blood  
But who could ever take my love?  
The crew was cold ????  
And the banner fell  
A Fallen Angel  
A girl so strange, I lost my head  
Lost it all, got left for dead  
I curse the day now, just a shell  
A Fallen Angel  
Gonna ride up from hell  
I'm the Fallen Angel  
When the brink of ruin lies  
Upon the world, a judge shall rise  
To lead the fall, you'll remember well  
A Fallen Angel  
Gonna ride up from hell  
Gonna ride up from hell  
Gonna ride up from hell  
I'm the Fallen Angel
