Well I've opened up my veins too many times
And the poison's in my heart and in my mind
Poison's in my bloodstream
Poison's in my pride
I'm after rebellion
I'll settle for lies

Is it any wonder that my mind's on fire
Imprisoned by the thoughts of what to do
Is it any wonder that my joke's an iron
And the joke's on you

Experiments that failed too many times
Transformations that were too hard to find
Poison's in my bloodstream
Poison's in my pride
I'm after rebellion
I'll settle for lies
Yes I know the secrets of the iron and mind
They're trinity acts, a mineral fire
Yes I know the secrets of the circuitry mind
It's a flaming wonder telepath

Well I've opened up my veins too many times
And the poison's in my heart and in my mind
Poison's in my bloodstream
Poison's in my pride
I'm after rebellion
I'll settle for lies

Is it any wonder that my mind's on fire
Imprisoned by the thoughts of what to do
Is it any wonder that my joke's an iron
And the joke's on you
