Along the world axis  
The Empress lay sleeping  
To the rhyme of the  
Of the, of the star clock

Seven sleepers  
Seven sages  
Seven ladders to the  
To the seventh heaven

Seven stars  
Had Ursa Major  
Tables turning, turning  
And rain maker

While the seven  
The visitors  
All went, all went  
A drumming

Dance a Don Pedro  
Do the Don Pedro  
Games after death  
Night dances 'round  
Samedi and Petre in Alchemy

Salute the four quarters  
Before I leave your eyes  
Twinned in the mirror  
Les Mesteres come

End me adoration  
Before I leave your eyes  
World in the mirror  
Waters of amnesia come

Do you know  
(Do you know)  
Do you know  
(Do you know)

Do you know

(Do you know)  
Do you know  
(Do you know)

The court of Eve  
Beneath the Polar Mountain  
Rose cross and crosser there  
Symbols of the swan

Aerial races  
In rotation over  
The magical casement  
Visions of a parallel world

Dance a Don Pedro  
Do the Don Pedro  
Games after death  
Night dances 'round  
Samedi and Petre  
In Alchemy

Seven, seven, seven  
Seven, seven, seven  
Seven, seven, seven  
...
