Lonely teardrops, you been crying  
I hear them fall  
In the night, the empty night  
I hear your song

It goes right through me  
It used to move me  
Lonely, lonely

Lonely Paris, met a dancer  
We did the stroll  
Through the night, the empty night  
Four years ago

I thought you know me  
She gave it to me  
Lonely, lonely

I seem to see a rose  
I reach out, then it goes  
Now, in its thorns, I roam  
The sky is gray and I am cold

Lord, I tell you, Lord, I tell you  
All I want to do is get back home

Lonely teardrops, we did shoot them  
They came on strong  
Vials of rain to kill the pain  
So far from home

I thought you knew me  
You did it to me  
Lonely, lonely

Lonely teardrops, I've been cryin'  
All week long  
Love is willing but the bed is cold  
Goodbye, Laurence

I thought I knew you  
What good did that do

Lonely, lonely

I seem to see a rose  
I reach out, then it goes  
Now, in its thorns, I roam  
You never know until you know

Lord, I ask you, Lord, I beg you  
All I want to do is get back home

Lonely teardrops  
Lonely teardrops  
Lonely teardrops
