Written and performed by Sykotik Sinfoney

Let's do it!

THIS IS THE GROOVE!

That makes Cool move

The dudest dope and he's looking smooth

BURNING

With a rubber hup buskin a thousand watts

and the basses are pumpin' hard

To the beat of the street

Cool gets out of his seat and shuffles his feet

And if you get in the way you're gonna have to pay

Mr. Cool

He's Mr. Cool, and nobody's fool

He's Mr. Cool

Oh, too cool!

He spins around with a mighty THRUST

He hits the ground (all the girlie's lust!)

Yeah, Cool's got style he can do anything

(HUH HUH HUH HUH) He's the body king

He thinks he's cool

I think he's lame

His ego feeds off local fame

Big talking jerks, they're all the same

Yeah!

Mr. Cool

He's Mr. Cool, and nobody's fool

He's Mr. Cool

So smooth - he's gotta be - do ya wanna be cool

Mr. Cool

He's Mr. Cool, and nobody's fool

He's Mr. Cool

The dude is cool

Tell it like it is!

People getting wise

Seeing through his lies

Lying in the street
Like a piece of meat
Rubbing it is hell

Checking it out!
(oh my god, that is like so cool...
look at those leather pants!
yeah, he's a little bit too overweight
to be wearing those, isn't he?
yeah, look at all those chicks
what a loser!)

Mr. Cool
He's Mr. Cool, and nobody's fool
He's Mr. Cool

So smooth - he's gotta be - do ya wanna be cool
Mr. Cool
He's Mr. Cool, and nobody's fool
He's Mr. Cool
The dude is cool
You fool
