Showtime...

Showtime...

People tell me Iâ'm not getting younger in this place  
The other guy in this room Iâ'm sick of his face  
And there's a guy whoâ's watching me, it really is a  
drag  
Hassling me on my way to work making license tags

But you ainâ't seen the last of me yet  
Iâ'll find you baby, on that you can bet  
I didnâ't mind the risk of a life of crime  
When I get out of here...

Showtime...

Showtime...

Eight long years to do, Iâ've just finished two  
These walls are a little bit tight  
Iâ'd rather be with you  
Good behavior and Iâ'll be out on parole  
Or maybe iâ'll bust outta here, Iâ'm losing self control

But you ainâ't seen the last of me yet  
Iâ'll find you baby, on that you can bet  
I didnâ't mind the risk of a life of crime  
When I get out of here...

Well i was young and in love, i pulled the perfect crime  
You blew the whistle on me baby, and now Iâ'm doing  
time  
I guess you never loved me, you used me like a tool  
And that guy out there with you, must think that Iâ'm a  
fool

But you ainâ't seen the last of me yet  
Iâ'll find you baby, on that you can bet  
I didnâ't mind the risk of a life of crime  
When I get out of here
