You see me now a veteran of a thousand psychic wars  
I've  
been living on the edge so long  
Where the winds of limbo roar  
And I'm  
young enough to look at  
And far too old to see  
All the scars are on the  
inside  
I'm not sure if there's anything left of me  
Don't let these  
shakes go on  
It's time we had a break from it  
It's time we had some  
leave  
We've been living in the flames  
We've been eating up our  
brains  
Oh, please don't let these shakes go on  
You ask me why I'm  
weary, why I can't speak to you  
You blame me for my silence  
Say it's time  
I changed and grew  
But the war's still going on dear  
And there's no end  
that I know  
And I can't say if we're ever...  
I can't say if we're ever  
gonna to be free  
Don't let these shakes go on  
It's time we had a break  
from it  
It's time we had some leave  
We've been living in the  
flames  
We've been eating out our brains  
Oh, please don't let these shakes  
go on  
You see me now a veteran of a thousand psychic wars  
My energy's  
spent at last

And my armor is destroyed  
I have used up all my weapons and  
I'm helpless and bereaved  
Wounds are all I'm made of  
Did I hear you say  
that this is victory?  
Don't let these shakes go on  
It's time we had a  
break from it  
Send me to the rear  
Where the tides of madness swell  
And  
been sliding into hell  
Oh, please don't let these shakes go on  
Don't let  
these shakes go on  
Don't let these shakes go on
