intro:

Verse I

If I asked could I Touch You?

Would it bring back..

Memories....

Of yesterday's..

When our Love was hot...

Back when you begged me...not to stop.

But, since then

I've got so much more...

So much I'm trying to give you....

It was just a little .. Misunderstanding

So darling...

Please listen to what I'm trying to say..

Chorus:

Cause, I can't take it (no, no,no,no,no)

I can't take it in... without you....

(I can't take it, take it).

I can't take it (no,no, no, no more)

I can't take it in...without you....

Verse II

If I had a chance to love you..

I'll make you melt

Right before my eyes...

I'll lay you down

You'll think how good it's

used to be...

You'll admit how long you've been waiting..

For me and you

to get it together...

Cause No one else

can treat you like I do....

I'll make you feel the way..

A woman wants to feel...

Because Lovin you.....

Is still a thrill!

(repeat chorus)

Vamp:

Remember the way I use to touch you.

Do you remember the things we use to do all night..

I use to Hold you

You use to begg me not to let go..
and I can' t take it in without you....
I can't take it..
No,no,no,no,no,no,no,no,no more..
I wanna hug, squeeze,kiss, you darlin
Get you in the mood..
Can't you see I'm a man
Of flesh and Blood.. I'm Human.
And I can't take it in, take it, take itWithout you.....
(Feel it till, fade-out)
