Serenade

Is a song of Love
That Never Fades.
A sound that burns like a flame
A feeling only lovers can explain
With Two Hearts beating as One..

Violins are played...
We'll make Love
To Our Serenade

A song that's only meant for
Me and You...
A sound that keeps our Love
Forever New.....

With sweet memories..
That Will last
Forever.....

Yeah, yeah , yeah.....

Taken from the Eugene Wilde CD/LP entitled
"Serenade"
