[Show Me the Way (To Your Heart)]

[Verse I]

Tell Me..Is something Wrong.?
What does it take for you to respond.
Because I tried..
Every trick in the book..
Yet, nothing seems to work.

I'm sure you must be ..holding back.
Cause you should be responding..
To my commands..
Yet, you sit here
In full control...
And by now...you should be ready
To Explode..
So, why don't you..

Chorus:

Show me the way...show me....
To your heart..
Why don't you..
Show me, show me, show me...
Show me the way....(show me)
To your heart..
Why? don't you
Show me, show me, show me..
Show me..(the way)..

Verse II:

You tell me..
When i buy roses for you lady..
That i really think that it's time..(oh)
To prove that..
You really care about me lady..
Then why? won't you give me
A sign..
But, when it's time to reveal...

Your too afraid to show me how you feel...

If it's time you need...
Please tell me...
Or let me know.
If i'm doing something wrong..
So, why? don't you..

(repeat chorus..instrumental break)

Vamp:

I'm not saying..that we're wasting time...
But, Girl Let's get Cozy..
Come lay beside Me..

Let's Take a Ride
Into Paradise..
I'll satisfy your..
Insecurities just fine..
Why? Don't You...

(Repeat chorus-adlib till fade)
