Won't you help me Jesus
Won't you help me understand
Why won't you help me Jesus
Understand my fellow man

Don't understand all this fussin' and fightin'
Don't know what wrong
They think they're righting
That they may shed the blood of man
Down in the Holy Land

I just can't find a reason
I hope nobody can
There has to come the season
For peace over this land
Won't you help me Jesus...

Why does a man kill his brother
Why do men do this to each other
Everybody living in a reign of terror
Down in the Holy Land

I just can't find a reason...
Won't you help me Jesus...

Everyday somebody
Blowing himself up
Together with as many people
He can touch
You'd think people
Would a had enough
And tried to make it stop

Why does a man kill his brother
Why do men do this to each other
Everybody living in a reign of terror
Down in the Holy Land

I just can't find a reason...
Won't you help me Jesus...
