Yeah weÂ're here!
WeÂ're the rockÂ'nÂ'roll children
CominÂ' to take over the world!
Yeah weÂ're here!
WeÂ're the rockÂ'nÂ'roll children!
Come on little boys and girls

>From London to Japan
>From New York to Milan
Everybody wants to get inside a band!

Rock seeds were sown
Now the fruits have grown
Rock tree is strong
So keep on rollinÂ'on
Rock seeds were sown
Now the fruits have grown
Rock tree is strong
So keep on rockinÂ'
Keep on rollinÂ'on
