We were so young and all disguise  
Fell beneath another's eyes  
We were bestowed with thoughts that showed  
Lack lust from a certain tongue  
We were so young

In the wind I'd rather be motionless  
Why rescind I'd rather be passionate with a kiss

How does it matter  
For anything  
The waves  
The rhyes  
The rows  
The size of those  
The depth  
The wheat  
The thoughts that sleet  
Would drive into me

And I never knew  
I never knew woe

Ha ha  
'Cause in the wind I'd rather be motionless  
Why rescind I'd rather be passionate with a kiss

And what I said to you  
Was a baffled  
Jangled  
Raffle  
Well here you go  
For want to know  
Yeah here you go  
Here you go  
For want of what  
Wanting to know  
Here you go  
For want of what  
Wanting  
Here you wanted to go
