I was a simpleton caught in a maelstrom  
Tossed pell-mell like a rag doll  
From the precipice of hell

I was a blithering fool  
Throwing my flailing arms about  
Trying to grasp why the whirling detritus  
We buy and sell

Adrift in dust

Adrift in dust and sluice  
The tether was cut loose  
There is no static footing to call home  
Oh well, oh well

Oh ancient oracle of Delphi  
Where am I in relation to you

I was a naysayer  
And privy to inconventionality  
So wonder wonder wonder is my fun  
Thunder is a clay enclave  
Prometheus gave us fire  
And I used it to  
Perpetuate your desire in you

I was a simpleton caught in  
An open box  
Tossed pell-mell  
I was a class defined  
Like a rag doll  
Into the things we  
Precipice of hell  
Encapsulate and call unkind  
Throwing my flailing arms about  
We are humanity  
Whirling detritus  
We are humanity  
We buy and sell  
We are humanity  
We are humanity

Adrift in dust
