Never have I been to another land
Where I ever left my brigand cares behind me
Apathy my staunch advocate
How much more narcissistic can anyone get

Slowdown to a crawl
Watch and know
Just where I go

Never have I been to another land
Where I ever left my brigand cares behind me
Apathy my staunch advocate
How much more narcissistic can anyone get
My black silhouette is taking my strides
As soon as I step our purpose collides

Into blue moon
Where I do want me

Never have I been to another land
Where I ever left my brigand cares behind me
Apathy my staunch advocate
How much more narcissistic can anyone get
My black silhouette is taking my strides
As soon as I step our purpose collides
As a justified sinner who believes not in sin
Who curious lured me cleverly in
A slowdown to a crawl
