Ahhhh-oo-oo, ay-ay

You know I needed to have my say-ay-ay
Don't need no life full of dissarray-ay-ay
This love of ours we can parta-a-ake
Ain't no such thing as a small hearta-a-ache

You're the one, it feels so right, I'm lifted to a brand
new height
You're the one, it's only you, And this is what I'm gonna
do
You're the one, it feels so right, I'm lifted to a brand
new height
You're the one, it's only you, And this is what I'm gonna
do

I wan'oo, I wan'oo, love you right, I wan'oo, I wan'oo,
love you ri-hi-ight
I wan'oo, I wan'oo, love you right, I wan'oo, I wan'oo,
love you ri-i-ight

Trouble you know-ow, I'm in too dee-eep
My yearning for your body has just increa-eased
So hold me now, baby, right till the e-end
Pleasure from the flesh, must be Go-od se-end

You're the one, it feels so right, I'm lifted to a brand
new height
You're the one, it's only you, And this is what I'm gonna
do
You're the one, it feels so right, I'm lifted to a brand
new height
You're the one, it's only you, And this is what I'm gonna
do

I wan'oo, I wan'oo, love you right, I wan'oo, I wan'oo,
love you ri-hi-ight
I wan'oo, I wan'oo, love you right, I wan'oo, I wan'oo,
love you ri-i-ight

Hold me tight, don't let go, You better hold me tight,

don't let go
Hold me tight, don't let go, You better hold me tight,
don't let go
Hold me tight, don't let go, You better hold me tight,
don't let go
Hold me tight, don't let go, You better hold me tight,
don't let go
- continued throughout the rest of the song

I wan'oo, I wan'oo, love you right, I wan'oo, I wan'oo,
love you ri-hi-ight
