[Incomprehensible]

Here I go, here I go
Here I go, here I go
Here I go, here I go

I've been cheated by you since I don't know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn?
I don't know how but I suddenly lose control
There's a fire within my soul

Just one look and I can hear a bell ring
One more look and I forget everything, whoa oh

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you

Yeah, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know
My my, I could never let you go

Here I go, here I go
Here I go, here I go
Here I go, here I go

I've been angry and sad about things you do
Can't count all the times that I've told you we're through
And when you go, when you slam the door
I think you know that you won't be away too long
You know that I'm not that strong

Just one look and I can hear a bell ring
One more look and I forget everything, whoa oh

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again?

My my, just how much I've missed you

Yeah, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know
My my, I could never let you go

(Here I go, here I go)
Mamma mia, here I go again
(Here I go, here I go)
My my, how can I resist you?
(Here I go, here I go)
Mamma mia, does it show again?
(Here I go, here I go)

Mamma mia, here I go again
(Here I go, here I go)
(Here I go, here I go)
Mamma mia, does it show again?
(Here I go, here I go)
(Here I go, here I go)
Mamma mia, now I really know
(Here I go, here I go)
(Here I go, here I go)

Here I go, here I go
Here I go, here I go
Here I go, here I go
