Are you ready
Ready to cry
Are you ready
Ready to cry

This is the saddest story
You all know why
So cry, cry, cry

Don't worry, buddy
We'll see this thing through
I'll cry the river
That carries you through

Are you ready
Ready to leave
This life we love
You know what I mean

No more whiskey
No more cigarettes
And your last breath
Just like a sunset

Don't worry, buddy
We'll see this thing through
I'll cry the river
That carries you through

Are you ready
Ready to cry
Cry, cry, cry

Are you ready
Ready to die
Are you ready
Ready to die

Is there anything I can do
'Cause saying goodbye to you
Will be the hardest thing I've had ever do

Don't worry, buddy
We'll see this thing through
I'll cry the river
That carries you through

Are you ready
Ready to cry
Cry, cry, cry
