"Glad to Be Alive"

It was high, high on a hill

Where she'd go at night
And stand in the snow-covered field
Looking across the lake
To lights in town
Glad to be alive
Glad to be alive

Glad to be alive
A still winter's night
With Christmas stars
Shining so bright
And the wind knew her song

So he cried and sang along
Glad to be alive
Glad to be alive
Glad to be alive
A still winter's night
With Christmas stars
Shining so bright

And the wind knew her song

So he cried and sang along
Glad to be alive

Glad to be alive

Glad to be alive
Glad to be alive

Glad to be alive

Glad to be alive

Glad to be alive

Glad to be alive
So glad

To be

Alive
