You say that you're leaving
Well that comes as no surprise
Still I kinda like this feeling
Of being left behind

Yea this ain't nothing new to me
Well it's just like going home
It's kinda like those sunsets
That leave you feeling so stoned

Hey hey I guess it hasn't hit me yet
I fell through this crack
And I kinda lost my head
I stand transfixed
Before this street light
Watching the snow fall
On this cold December night

I never thought this could happen
But somehow the feeling is gone
You got sick of the patterns
And I got lost in this song
Hey hey I guess it hasn't hit me yet
I fell through this crack
And I kinda lost my head
I stand transfixed
Before this streetlight
Watching the snow fall
On this cold December night

Hey hey I guess it hasn't hit me yet
I fell through this crack
And I kinda lost my head
I stand transfixed
Before this streetlight
Watching the snow fall
On this cold December night

And out in the middle of Lake Ontario
The same snow is falling
On the deep silent water
The great dark wonder

Into the waves of my heart
Into the waves of my heart
Of my heart...
