You never gave me the chance to say goodbye to you  
Somebody called and said you'd left  
I don't think I'll be seeing you too soon

Two way running down the road  
Do I look like anyone you know?  
Whatever brought you here  
Yeah, it's gonna get you home

You leave no trace to be found  
What's the difference, you here or gone?  
Memory fades and time steals away  
Still the miles won't be forgotten  
As the homeward bound angel goes a wandering

In this endless solitude, I'm checkin' the sunset for  
clues  
I listen for echoes of your footsteps  
In the hotel bars and by the swimming pools

Two way running down the road  
Do I look like anyone you know?  
Whatever brought you here  
Yeah, it's gonna get you home

You leave no trace to be found  
And what's the difference, you here or gone?  
Memory fades and time steals away  
Still the miles won't be forgotten

As the homeward bound angel goes a wandering  
I'm gonna go a wander  
Yeah, I'm gonna go wander, gonna go wander  
I'm gonna go wander

I'm gonna go a wanderin', I'm gonna go a wander  
I'm gonna go a wander, I'm gonna go a wander  
I'm gonna go a wander, yeah, I'm gonna go a wander  
Yeah, I'm gonna go a wander

I'm gonna go a wanderin', I'm gonna wander  
Yeah, I'm gonna go a wander

Yeah, I'm gonna go a wander, oh, yeah  
I'm gonna go a wanderin'

I'm gonna wander  
Yeah, I'm gonna go a wander  
Yeah, I'm gonna go a wander, oh, yeah

Wanderin', wanderin' on  
Yeah, I'm wanderin' on, wanderin' on  
Wanderin' on
