Dont tell me im wrong
Cuz i've been watching every move that you make.
Hearts you steal in your make-up and heels
trouble for the man that you take.

Everytime you walk in the room
I could never be sure of a smile
You were never the same way twice.
Im falling in love Oh nite after nite.....
and its CRAZZ-ya-zzy.

So many poeple they say Ohhh
Girl you got nothing but time.
Oh you are a shining star
dont worry what your leaving behind.

Everytime you walk in the room
I could never be sure of a smile
You were never the same way twice.
Im falling in love Oh nite after nite.....
and its CRAZZ-ya-zzy.

Oh you've got to try....
try.....try.
Why dont you know you've got to try....
try...try....ewwww oh eww.
Oh baby you try..Ohhoohhhhoh.

Everytime you walk in the room
I could never be sure of a smile
You were never the same way twice.
Im falling in love Oh nite after nite.....
and its CRAZZ-ya-zzy.

Oh you've got to try....
try.....try.
Why dont you know you've got to try....
try...try....ewwww oh eww.
Oh baby you try..Ohhoohhhhoh
try...Ohhh ohoh ohhhh...oh.
