Is it you
I wonder

And still it makes me laugh

That I'm looking for

Is it you
Don't turn away so fast

And while you were talking

Wide-eyed I fell asleep

Hoping tomorrow would be
As sweet

Is it you

Who whispered

Into my hazy soul

Is it you

Who makes the flowers bloom

On the tenement windowsill
In a hotel room

Drunkenly chasing the ghost
A TV glows
And songs are exchanged

Of eternity

There's a drunk on the sidewalk
Trying to look unconcerned

And the dead eyed motel blondes

Wait in line for their turn

Is it you

Who laughs
When all the other dogs snarl

Is it you

Just because you listened for a while

And with this buzz of electricity
Still ringing in my ears

I wonder

Is it you

I wonder

Is it you
