Call me a liar  
A coward and a cheat  
And in my defense  
What case could I possibly make  
And how could I deny  
A heart so tender and sweet  
How could I betray  
A love so complete

Well it's hard to explain  
The troubles that I've made  
Lucky is the man  
Who learns from his mistakes

There is little left  
For the man who hesitates  
And tell me what is gained  
By those who always take  
So here's what's left of my heart  
Yeah it's all torn apart  
You say your hands are tied  
And it's time to say goodbye

Still it makes me wonder  
And it makes me cry  
Yes it makes me wonder  
And it makes me cry  
How the best things are won with sacrifice

I can't stand the sight of my own reflection  
I just don't like what I see  
All I ever hear you saying to me  
Is that I'm not the man that I used to be So take the veil  
from your eyes  
This is who I've always been  
I know it's not a pretty sight  
Yeah I tried but I failed

Still it makes me wonder  
And it makes me cry  
Yes it makes me wonder  
And it makes me cry

Yes it makes me wonder  
And it makes me cry  
How the best things are won with sacrifice
