Out on the streets every night
Going out of my head
Caught in a midnight parade
That I wish I wasn't in

I'm running away with nowhere to hide
Caught in a world just four lanes wide
Everyone thinks of themselves
But I'm thinking of you

And it's all, all for a rebel
And it's all, all for a rebel

Spent last night falling in love
With a girl in room five
People 'round here are different
We lead desperate lives

No, the same moon rising over your head
Is catching me wasted, worn-out and dead
Everyone's watching themselves
But I'm watching you

And it's all, all for a rebel
And it's all, all for a rebel, yeah

Out on the streets every night
Going out of my head
I'm caught in a midnight parade
That I wish I wasn't in

No, the sun that's rising over your head
Is catching me wasted, worn-out and dead
Everyone thinks of themselves
But I'm thinking of you

And it's all, all for a rebel
And it's all, all for a rebel

Yeah, you thought that you don't change
But you know you're gonna miss me
If I'm not there

And it's all, all for a rebel. rebel, yeah
