I pulled over to the side of the road
I was feeling kind of sad
I was feeling kind of blue
I walked across this farmer's field
And I looked up to the blue-white sky
And your eyes they were in my mind
And I just want to hold on to you
Yeah your eyes they were in my mind
And I just want to hold on to you
I'm gonna hold on to you
I'm gonna hold on
I started singing this song in my head
Just because the sun was high shining bright
I could smell the fresh cut grass
As I looked up to the blue-white sky
And your eyes they were in my mind
And I just want to hold on to you
Yeah your eyes they were in my mind
And I just want to hold on to you
I'm gonna hold on to you
I walked across this farmer's field
And I looked up to the blue-white sky
I started singing this song in my head
Just because the sun was high
And your eyes they were in my mind
And I just want to hold on to you
Yeah your eyes they were in my mind
And I just want to hold on to you
I'm gonna hold on to you
I'm gonna hold on to you
To you
