Just like the sun over the mountaintop  
You know I'll always come again  
You know I love to spend my mornings  
Like sunlight dancing on your skin

I've never gone so wrong  
As for telling lies to you  
What you see is what I am  
There is nothing I could hide from you  
You see me better than I can

Out on the road that lies before me now  
There are some turns where I will spin  
I only hope that you can hold me now  
Til I can gain control again

And like a lighthouse you must stand alone  
Landmark a safe journey's end  
No matter what sea I've been sailing on  
I'll always come back home again

Out on the road that lies before me now  
There are some turns where I will spin  
I only hope that you can hold me now  
Til I can gain control again  
I only hope that you can hold me now  
Til I can gain control again
