Yeah I gave you my heart and I gave you my soul  
That's not enough you want more  
Like the writing on an ancient wall  
You're a mystery that I'll never solve

Yeah you're everywhere  
Yeah you're everywhere  
Yeah you're everywhere but you're just not there for me  
For me

Well I've walked along the red canal of mars  
I've known kings and king makers  
Poets painters and paupers  
I've danced danced on the rings of saturn  
Still your pilgrim soul is the only thing that ever  
mattered

Yeah you're everywhere  
Yeah you're everywhere  
Yeah you're everywhere but you're just not there for me  
For me

Rock it!

Yeah this old world ain't always what it seems  
Sometimes I feel I'm living in someone else's dream  
There's a face I know that I've never seen  
Still a hundred million miles  
Ten thousand years  
Ain't going to change a thing

Yeah you're everywhere  
Yeah you're everywhere  
Yeah you're everywhere but you're just not there for me  
For me  
Yeah you're everywhere but you're just not there for me  
For me  
Yeah you're everywhere but you're just not there for me
