You look out that window
For someone you know
But it all looks the same
And time and again
It hurts you so

You wonder if always
You'll stand on your own
But bear in your mind
You'll get through this time
You're not alone

When time seems so lonely
And your day seems too long
You wonder if you will ever get through
And still be strong

With eyes full of sadness
You stand on your own
It tears you apart, but you know in your heart
You're not alone, no...

Coast to coast
And land to land
We're together
Hand in hand

Whoa oh, oh
Coast to coast and
Land to land
We're together
Hand in hand

Oh, oh, oh!

(Solo)

Coast to coast and
Land to land
We're together
Hand in hand

Yeah!

Repeat chorus 2 more times adding this

You're not alone
Cause we're still together
Whoa oh, oh yeah

No, you're not alone
Cause we're still together
