I'm calling out tonight.
For what I feel is right.
And I won't be quiet.

Cause I've seen the truth
Wanna fight for you.
And we just can't buy it.

This is your life.
Are you gonna stand by.
And take

One last look at Eden.
Just stop believing and walk away.
This could be our moment.
Time that we own it.
I wanna hear you say
Come with me.

Are you still not there.
The ones who really care.
Who's open minded.

This is your life.
Are you gonna stand by
And take

One last look at Eden.
Just stop believing
And walk away.

This could be our moment.
Time that we own it.
I wanna hear you say
Come with me.

[Guitar solo]

One last look at Eden.
Just stop believing
And walk away.

This could be our moment.
Time that we own it.
I wanna hear you say
To night
Come with me.
