Oh, yeah
Uh, so come on
Ha!
Oh, yeah, yeah

All set
Ready to go
But little does he know
He ain't comin' back no more
No!

All set
Ready to fly
Into that deep blue sky
Like so many times before

Oh, yeah

Oh,
Now the tower's callin'
There's no reply
And there's nothin' they can do

Now the night is fallin'
Before their eyes
Still no one's comin' through

Callin' F 1-2
Oh, yeah.

Somewhere, out in time
God knows what's on his mind
Is there a reason for his doubt?
Uh!

Somehow, unaware
Just like he didn't care
There must ways of gettin' out
Oh, yeah

Oh,

Now the tower's callin'
There's no reply
And there's nothin' they can do

Now the night is fallin'
Before their eyes
Still no one's comin' through

Calling F 1-2

Oh, yeah

Come in, Captain...

(Solo)

Oh,
Now the tower's callin'
There's no reply
And there's nothin' they can do

Now the night is fallin'
Before their eyes
Still no one's comin' through

Callin' F 1-2
Uh, oh yeah

Callin' F 1-2...
