Oooooh! Ooh I want to find a better place  
Oooooh! Ooh I'm searching for a better place

Oooooh! Ooh I'm tired of living in the sand  
Oooooh! Ooh I'm searching for a better land

Heaven, must be there-ere  
Well, it's just got to be there-ere  
I've never - never seen Eden  
I don't wanna live in this place

Oooooh! Ooh I'm always trying to escape  
Oooooh! Ooh I never know which road to take

Heaven, must be there-ere  
Well, it's just got to be there-ere  
I've never, never seen Eden  
I don't wanna live in this place

Heaven, must be there-ere  
Well, it's just got to be there-ere  
I've never, never seen Eden  
I don't wanna live in this place

Live in this place

Live in this place, this place

Oooooh! Ooh I want to find a better place  
Oooooh! Ooh I'm searching for a better place

Heaven, must be there-ere  
Well, it's just got to be there-ere  
I've never, never seen Eden  
I don't wanna live in this place (don't wanna live)

Heaven, must be there-ere  
Well, it's just got to be there-ere (must be there-ere)  
I've never, never seen Eden  
I don't wanna live in this place

Heaven, must be there-ere

Well, it's just got to be there-ere (must be there-ere)  
I've never, never seen Eden  
I don't wanna live in this place (fade)
