I'd bet my soul on a roll of a dice  
I hit the ground runnin' and I never think twice  
Yeah, I'd brave the heat of a wild cat fire  
To satisfy my animal desire

Can't stop me now, I've set my sights on you  
Right to you heart, my aim is true

Yeah, that's why  
All or nothing at all, is how I feel about it  
Won't stand my back to the wall, I'll find my way around  
it  
All or nothing at all, there's nothing I won't do  
And the one thing I want all of is you

Don't want to labor at love rather do without  
Won't carry the torch I want to burn down the house  
I wanna give you all my lovin' baby listen to this  
I would never settle for anything less

Can't stop me now, once you've got me goin'  
Can't slow me down, I'm driven by your motion

Yeah, that's why  
All or nothing at all, is how I feel about it  
Won't stand my back to the wall, I'll find my way around  
it  
All or nothing at all, there's nothing I won't do  
And the one thing I want all of is you

You can't stop me now, once you've got me goin'  
Can't slow me down, cuz' I'm driven by your motion

Yeah, that's why  
All or nothing at all, is how I feel about it  
Won't stand my back to the wall, I'll find my way around  
it  
All or nothing at all, there's nothing I won't do, no  
And the one thing I want all of is you

I wanna drive you crazy all night long  
I wanna give you all my lovin' baby dusk to dawn

I won't stand my back up against the wall  
I want all or nothing at all
