Wherever I decide to go  
Whatever I decide to do, oh  
There's one thing you ought to know  
I always miss you so

You had me in the palm of your hand  
But I fell through like a grain of sand  
But you remain inside my heart  
Wherever I may go

[CHORUS]

Broken dreams  
Leave you standing so sad  
Broken dreams  
They can hurt you so bad  
But what can I say?  
Am I to blame? Oh  
And if I did stay (If did stay) It wouldn't be the  
same...oh

I'm sorry that it turned out wrong  
My feelings were not quite that strong  
I wish you all happiness  
Wherever you belong, oh

There isn't much left to explain  
But let me tell you it was not in vain  
Those moments, they weren't meant to cause  
You any pain

Broken dreams  
Leave you standing so sad  
Broken dreams  
They can hurt you so bad  
Broken dreams  
Leave you standing so sad  
Broken dreams  
They can hurt you so bad  
Broken dreams  
Leave you standing so sad

Broken dreams  
They can hurt you so bad  
Broken dreams...
