He is down by the riverside  
Late one night  
He's tryin' to count the stars  
In each of the signs  
All alone by the riverside  
And time passes by  
Gathering thoughts of the past  
And maybe he'll cry

So they say he's a madman  
But he don't understand  
But I know that he's tryin' hard  
To act like a man  
All those years he has suffered, my friends  
All those years of pain  
But I don't think he knows for sure  
If those years were in vain, no

He's a dreamer  
But he's fightin' for his life  
He's tryin' to understand  
He's a dreamer  
But he wants to carry on  
And I know he's a lonely man  
Lonely man

He's down by the riverside  
Late one night  
He's tryin' to count the stars  
In each of the signs  
Alone by the riverside  
And time passes by  
Gathering thoughts of the past  
And maybe he'll cry

He's a dreamer  
But he's fightin' for his life  
He's tryin' to understand  
He's a dreamer  
That he wants to carry on  
And I know he's a lonely man  
Lonely man

He's a dreamer  
But he's fightin' for his life  
He's tryin' to understand  
He's a dreamer  
But he wants to carry on  
As I know he's a lonely man

He's a dreamer  
But he's fightin' for his life  
He's tryin' to understand  
He's a dreamer  
But he wants to carry on  
And I know he's a lonely man

He's a dreamer  
But he's fightin' for his life  
He's tryin' to understand  
He's a dreamer  
But he wants to carry on  
And I know he's a lonely man  
He's a dreamer
