Well, it's time to break out from the cage
It's time to change your ways
It's time to find those shattered dreams
That vanished in the haze

It's time to lose those concrete shoes
They held you down too long
'Cause troubled days have come and gone

And the night has just begun
Another dawn is yet to come
Carry on my little one, yeah
Girl from Lebanon

Yeah, it's time to meet the changes
They've come from all around
It's time for you to realize
Freedom has been found

It's time to meet the future
And forget about the past
It's time to make a good thing last

And the night has just begun
Another dawn is yet to come
Carry on my little one, yeah
Girl from Lebanon, yeah

Yeah, it's time to cut the barbwire
And walk out on the street
It's time that we stayed up all night
And lose all kinds of sleep

It's time to wear those bright blue jeans
Let your hair hang down
The word of peace is goin' 'round

And the night has just begun
Another dawn is yet to come
Carry on my little one, yeah
Girl from Lebanon

And the night has just begun
Another day has never [Incomprehensible]
Carry on my little one, yeah
Girl from Lebanon

Carry on my little one, yeah
Girl from Lebanon
