I've told you once and I've told you twice  
Wait for that day when our love will rise  
To that song that brought our hearts together

Even though you're mistreatin' me  
I know the girl that you used to be  
For me those days were meant to last forever  
Oh ooo oh

Time after time I'm wonderin' why  
Am I to be all alone  
And day after day I'll pray that you stay  
'Cause you've got a heart of stone  
(Heart of stone)  
A heart of stone  
A heart of stone

I walk the streets like a broken man  
Oh I wish that you could understand  
Even though you're still the one I wait for

I guess in love there's no guarantee  
Sometimes it's not what it seems to be  
Even though you're still the one I care for  
Oh ooo oh

Time after time I'm wonderin' why  
Am I to be all alone  
And day after day I'll pray that you stay  
'Cause you've got a heart of stone  
(Heart of stone)  
Yea yea yea

Yea  
She's got the heart of stone

Time after time I'm wonderin' why  
Am I to be all alone  
And day after day I'll pray that you stay  
You've got a heart of stone

Time after time I'm wonderin' why

Am I to be all alone  
Day after day I'll pray that you stay  
'Cause you've got a heart of stone  
(Heart of stone)  
Its a heart of stone
