Oh, yeah

I can walk on fire, it ain't stoppin' me  
It's just showin' me the way  
Oh, well, come thunder, lightnin' all over me  
I'd still be on my way

Oh, you can put me through loads of trouble  
But in anyway

It's just the beginning, not the end  
No use in pretendin' 'cause you can't win  
It's just the beginning, the beginning  
Not the end, oh, oh yeah

It's not a stange behavior, it's the way I am  
Nothin' puts me down, no  
And if a situation would get out of hand  
I'd still be back around

Oh, you can put me through loads of trouble  
But never bring me down, no

It's just the beginning, not the end  
No use in pretendin' 'cause you can't win  
It's just the beginning, the beginning  
Not the end, oh, oh yeah

I can walk on fire, it ain't stoppin' me  
It's just showin' me the way  
Oh, well, come thunder, lightnin' all over me  
I'd still be on my way

Oh, you can put me through loads of trouble  
But in anyway

It's just the beginning, it's just the beginning  
It's just the beginning, it's just the beginning

Oh, yeah, it's just the beginning and not the end  
No use in pretendin' 'cause you can't win  
It's just the beginning, the beginning

Not the end, oh

Oh, yeah

Not the end, not

Oh, yeah
