Oh, yeah

I can walk on fire, it ain't stoppin' me It's just showin' me the way Oh, well, come thunder, lightnin' all over me I'd still be on my way

Oh, you can put me through loads of trouble But in anyway

It's just the beginning, not the end No use in pretendin' 'cause you can't win It's just the beginning, the beginning Not the end, oh, oh yeah

It's not a stange behavior, it's the way I am Nothin' puts me down, no And if a situation would get out of hand I'd still be back around

Oh, you can put me through loads of trouble But never bring me down, no

It's just the beginning, not the end No use in pretendin' 'cause you can't win It's just the beginning, the beginning Not the end, oh, oh yeah

I can walk on fire, it ain't stoppin' me It's just showin' me the way Oh, well, come thunder, lightnin' all over me I'd still be on my way

Oh, you can put me through loads of trouble But in any way

It's just the beginning, it's just the beginning It's just the beginning, it's just the beginning

Oh, yeah, it's just the beginning and not the end No use in pretendin' 'cause you can't win It's just the beginning, the beginning Not the end, oh

Oh, yeah Not the end, not Oh, yeah
