Oh someone's at your door tonight
Someone wants your love
Is it real or just imagination?
You decide to wait inside
Till the break of dawn
In dreams you see yourself seekin' affection

He'll know just who you are
He'll know just where you've been
He'll know just what to do

Love chaser
If you look deep in his eyes
Then you're in for a big surprise
Oh he can take your breath away
There's nothin' you can do or say, no

You can feel that someone's at your back
You can hear his pounding heart
But something tells you not to be afraid
'Cause even in the darkest night
Someone's at your side
When morning comes it all starts to fade away

He'll know just who you are
He'll know just where you've been
He'll know just what to do

Love chaser
If you look deep in his eyes
Then you're in for a big surprise
Oh he can take your breath away
Oh there's nothin' you can do or say, no

Oh ho, he'll know just who you are
He'll know just where you've been
He'll know just what to do

Love chaser
If you look deep in his eyes
Then you're in for a big surprise
Yeah he can take your breath away

There's nothin' you can do or say

Love chaser

Yeah if you look deep in his eyes

Oh then you're in for a big surprise

He can take your breath away

There's nothin' you can do or say
