I can tell  
Just by the look  
In your eyes, that the love is gone, that I once took

So much has changed  
In the way you live  
I bet there's nothing left that you can ever give

The words of a madman are spoken  
I guess I'm not the only one  
The heart of a sad man is broken

Eyes, lyn' eyes  
You can fool anyone without disguise  
Eyes, lyn' eyes  
Your look is cold as ice

It's in your blood  
It floats in your veins  
I sacrifice myself but all I feel is pain

You've done me wrong  
You've been so bad  
It's the last time a battle is lost  
Where I'm the one who's sad

The words of a madman are spoken  
I guess I'm not the only one  
The heart of a sad man is broken

Eyes, lyn' eyes  
You can fool anyone without disguise  
Eyes, lyn' eyes  
Your look is cold as ice  
Your look is cold as ice

I wish you'd die  
I wish you'd break down and cry  
I wish you'd move  
And then I know I'd be satisfied

Can't you see

I'm on the edge  
I can't look down  
Is it me who's lost and never found?

The words of a madman are spoken  
And I guess I'm not the only one  
The heart of a sad man is broken

Eyes, lyin' eyes  
You can fool, you can fool anyone  
Eyes, lyin' eyes  
Your look is cold as ice  
Look is cold as ice
