There is no time to pay my sin
And everywhere blows the firewind
I'm all alone trying to survive

It's coming back into my head
Memories of the time we had
I'm trying hard to stay alive

The sun is down, the day is done
The sky is dark and I'm on the run
Yesterday is so far away

The wind is strong, there's something wrong
But I just have to carry on
For tomorrow is a brand new day
Brand new day

'Cause I left you without sayin' I'll go
Yes, I left you without letting you know

Oh, oh, memories
Oh, oh, memories
Oh, oh, memories
Oh, oh, memories

My memory is chasin' me
Over mountains high and across the sea
Will I ever be well again

I want the strength to carry on
What's done is done I want the power in me
To remain strong, to remain strong

'Cause I left you without sayin' I'll go
Yes, I left you without letting you know

Oh, oh, memories
Oh, oh, memories
Oh, oh, memories
Oh, oh, memories

There is no time to pay my sin

And everywhere blows the firewind
I'm all alone trying to survive

It's coming back into my head
Memories of the time we had
I'm trying hard to stay alive, to stay alive

'Cause I left you without sayin' I'll go
Yes, I left you without letting you know

Oh, oh, memories
Breaking my heart
Oh, oh, memories
Tearing my soul apart

Oh, oh, memories
Breaking my heart
Oh, oh, memories
Tearing my soul
