Oh, who took that shot
Well, I couldn't say, I was already down
Oh, who set me up
Well, I couldn't say 'cause I saw no one around

Now I'm lyin' here in desperation
I had it all worked out
Everything I hear is consolation
I've got this feelin' you should never say die

In my fantasy
There were days to come that I wanted so bad
Someone sold me out, then it all was done
That dream was all that I had

Now I'm lyin' here in desperation
I had it all worked out
Everything I hear is consolation
I've got this feelin' you should never say die
