Oh ho oh ho
Ooo

Tell me the story
Tell me the legend
Tell me the tales of war
Tell me just one time
What it was like before
Oh

Bring me the feelin'
Right in that moment
When a heart for battle cries
Find me the treasure
Where the legend lies

If I were a noble ancient knight
I'll stand by your side
(Side)
To rule and fight
It will always feel the same
When I call out your name

Ninja survive
(In dreams I walk by your side)
Oh
Ninja survive
(With you there's no need to hide)

A handful of sayings
Are more than a reason
For me to feel this way
I'd like to be near you
Maybe for just one day
Oh ho

So tell me the legend
Tell me the story
Tell me the tales of war
Tell me just one time
What it was like before
Ooo ohh

If I were a noble ancient knight
I'll stand by your side
(Knight)
To rule and fight
It will always feel the same
When I call out your name

Ninja survive
(In dreams I walk by your side)
Ohh ninja survive
(With you there's no need to hide)
Hide

If I were a noble ancient knight
I'll stand by your side
(Ancient knight)
To rule and fight
It will always feel the same
When I call out your name

Ninja survive
(In dreams I walk by your side)
Ohh ninja survive
(With you there's no need to hide)
Oh Lord Lord Lord

By your side
(In dreams I walk by your side)
Yea
Ninja survive
(With you there's no need to hide)
